

# Nantucket Builders Association

Presents our Regular Monthly Meeting and  
a Continuing Education Course  
for all Construction Supervisors Licensees

## *How to Re-Frame the House: An Energy Perspective*

Thursday November 8, 2012  
Starting at 6:30 PM at Miacomet Golf Club  
Complimentary refreshments & cash bar

**This workshop has been approved by the Massachusetts Board of Building Regulations and Standards for 3 credits for Continuing Construction Supervisors Education – 1 credit in Code Review, 1 credit in Energy and 1 credit in Business Practice.**

**In this workshop, you will get an “Understanding of Existing Frameworks for Building Better, More Energy Efficient Homes – Then Digging Deeper to Find What Really Matters”. This workshop will be presented by Tom Barnes and Andy Buccino.**

**Main Topics that will be covered:**

- Existing Frameworks, including Building and Energy Codes
- Building Science
- The Role of Energy Efficiency and Alternative Energy
- Business, Money and Incentives
- Best Practices on Nantucket – now and for the future

*Anyone can attend this meeting free of charge.*

*There is a fee of \$25.00  
for members of the Nantucket Builders Association  
and \$50.00 for non-members, only if you want to receive the  
Continuing Education Credits, which is payable in full with a  
completed registration form.*

*To register, please complete the attached Registration Form.*

*Remember anyone can attend free of charge, the fee only applies  
if you want the CEU credits.*
