

# The Office of Public Safety and Inspections Presents Training on the Manufactured Buildings Program in 780 CMR and the Hoisting Program in 520 CMR.

## TRAINING DESCRIPTION

The Office of Public Safety and Inspections is pleased to offer training on the Manufactured Buildings Program which will cover the requirements for building permit applications which will aid municipal building officials to administer the local permitting process. Hoisting is part of setting manufactured buildings so this training will also include aspects of the Commonwealth's hoisting requirements.

## TARGET AUDIENCE

The target audience for these trainings include building officials, building contractors, and hoisting operators.

### **Cont'd Ed for Building Officials:**

C-084 3 Credit Hours - Category 1

### **Cont'd Ed for Construction Supervisor License:**
